Performance data quoted represents past performance. As stated in the Fund's prospectus, the gross annual fund operating expense ratio was 0.23%. Past performance is not a guarantee of future results; current performance may be higher or lower than performance quoted. Investment returns and principal value will fluctuate and Shares, when redeemed, may be worth more or less than their original cost. The Shares' performance reflects fee waivers, absent which performance would have been lower. See invescopowershares.com to find the most recent month-end performance numbers. After Tax Held represents total return after taxes on distributions and assumes Shares have not been sold. After Tax Sold represents total return after taxes on distributions and the sale of Fund Shares. After Tax Held and After Tax Sold are based on NAV. Market returns are based on the midpoint of the bid/ask spread at 4 p.m. ET and do not represent the returns an investor would receive if shares were traded at other times.

¹ Index returns do not represent Fund returns. An investor cannot invest directly in an index.

² Returns for the benchmark indexes are based on the closest month end to the Fund's inception date. Neither the underlying Index nor the benchmark indexes charge management fees or brokerage expenses, and no such fees or expenses were deducted from the performance shown; nor do any of the indexes lend securities, and no revenues from securities lending were added to the performance shown. In addition, the results actual investors might have achieved would have differed from those shown because of differences in the timing, amounts of their investments, and fees and expenses

associated with an investment in the Fund.

The MSCI Pacific Index, the MSCI EAFE® Index and the S&P 500® Index are unmanaged indexes considered representative of the developed markets in the Pacific region; stocks of Europe, Australasia and the Far East; and the U.S. stock market, respectively.

Shares are not FDIC insured, may lose value and have no bank guarantee.

Shares are not individually redeemable and owners of the Shares may acquire those Shares from the Fund and tender those Shares for redemption to the Fund in Creation Unit aggregations only, typically consisting of 50,000 Shares.
